In fact, no guarantees are made that you will achieve any results from the ideas and techniques in our material.

IPCallCo

No longer antiquated artifacts, innovative technology gives new life to Public Pay Phones!

RESELLER & RETAILER REVENUE OPPORTUNITIES

- ❖ Equipment commissions paid on purchases and optional 36-month, no money down rentals; with payments as low as \$50 a month for qualified customers.
- ❖ Airtime earnings paid to resellers and retailers on local, national and international calls; with profits ranging from 20% to 40% on billable minutes and calling card purchases.
- ❖ Pay Per Call advertising can bring in additional dollars through the use of speed dial keys that can be easily programmed to designated partner call centers such as; restaurants, hotels, towing, livery and other public assistance entities. Free calls to these partner call centers can quickly offset equipment purchases by bringing in additional pay per call, sales and advertising dollars!

DEFRAY ACQUISITION COSTS

Now, retailers earn revenue by providing free phone services for their clientele.

Transportation Ports and Terminals

Corporate, Government and Education Campuses

Agriculture and Mining Grounds
