

IPCallCo

Public
Interest Pay
Phones -
Local,
National, and
International
Calling

IPCallCo's Public Interest Pay Phones provide calling card based local, national, and international calling; along with free 911 emergency and 411 information services. Four (4) speed dial keys can be field programmed to dial partner companies like restaurants, hotels, towing, and livery, to offset equipment purchases or rentals through recurring monthly per minute usage and advertising revenue!

IPCallCo

No longer antiquated artifacts, innovative technology gives new life to Public Pay Phones!

RESELLER & RETAILER REVENUE OPPORTUNITIES

- ❖ Equipment commissions paid on out right purchases and optional 36-month, no money down rentals; with payments as low as \$50 a month for qualified customers.
❖ Airtime earnings paid to resellers and retailers on local, national and international calls; with profits ranging from 20% to 40% on billable minutes and calling card purchases.
❖ Pay-Per-Call advertising can bring in additional dollars through the use of speed dial keys that can be easily programmed to designated partner call centers such as; restaurants, hotels, towing, livery and other public assistance entities.

DEFRAY ACQUISITION COSTS

Now, retailers earn revenue by providing free phone services for their clientele.
